SKILLS

- Programming in Java, Python, C, C++
- Web Development (HTML,CSS,JS / PHP,Django)
- Android Development (JAVA)
- DBMS (SQL)
- Operating Systems : Windows / Linux

ACTIVITIES

Coding is my passion. I don't think of it just as a subject to study, I'd rather invest my free time learning new technologies and implementing them in the practical world.
So apart from curricular studies, I have taken up a few certification courses on

1. Web Development
2. Android Development
3. Computer Networking

Apart from the technical field, my hobby is photography.
